Education is about teaching, learning skills and knowledge. Education may help and guide individuals from one class to other. Educated individuals and groups can do things that the less educated cannot.

Extra curricular activities are those that fall outside the realm of the normal curriculum of school. They include performing arts, sports /athletics, debate, drama, cultural activities etc.

It is a great way to participate in school matters show capability in every field. It helps students to share their interests, improve social skills, expand their network which is beneficial for their future.

We in RMD organized many extra curricular activities in the academic year 2018 -19 and students participated enthusiastically.

Starting with formation of Executive Committee till the Final Exams, it was an eventful fantabulous year. Under the guidance of our beloved Principal Mrs. Smita Savant Madam and Supervisor Ms. Archana Madam various accomplishments were achieved. Thankyou Ma'am.

The team of teachers covering up and maintaining the activity records are:-

- 1) Mrs. Ashwini Nadagouda
- 2) Mrs. Nidriisha Zirape
- 3) Mrs. Shital Gaikwad
