

Safe Kids Foundation

And

Students Achievements

Introduction:-

Safe Kids Foundation (SKF) is a non – profit organization dedicated to the prevention of unintentional childhood injuries, which are the leading cause of death and disability of children, across the globe.

It works with non – profit organizations government and schools to promote awareness and edify that accidental deaths and injuries are preventable.

Program Implementation :-

Safe kids took the opportunity to promote road safety by showcasing skit, puppet show and games.Children enthusiastically played educational games.The event resulted in strong brand visibility.

Essay Competition :-

Interschool Essay competition on the theme ” Fire prevention is better than fire Fighting .” held at RMD Sinhgad Spring Dale School, Warje.During ‘National Fire Service Week 2019.’ This enabled awareness among parents and citizens towards fire safety.Children enthusiastically participated in the competition,and messages on fire safety were reinforced.

Safe kids at Home:-

Safe kids at home program sponsored by Honeywell is a new initiative of safe kids foundation.Safe kids at Home is IMRB research backed home safety program in pune. The key objective of the research backed home safety program in pune.The key objective of the research was to assess the incidents of physical injuries among children below 14 years of age and to develop suitable training program for prevention.The research revealed that burns / scalds were the second leading cause of injury among children below 14 years of age and topmost in severity.

Safety of children is the primary duty of every parent.There is nothing worse for a parent than losing a child.With an aim of creating safer homes and

protecting children from the risk of fire and burns and other common accidents which occur at home, safe kids foundation under the guidance of safe kids world wide has developed interactive and creative educational tools to drive safety messages.

Students Participation:-

‘Safe Kids’ Foundation organised various competition on the topic of ‘Fire Prevention is better than fire fighting’ held during National fire service week 2019 organised by safe kids foundation under its Honey well Supported ' Safe kids at Home ‘program.

Numbers of students received participation certificates by RMD Sinhgad Spring Dale Schools Principal Mrs. Smita Savant Madam with great appreciation of them.
